Junior League of Mobile Accepting Proposals for Two Provisional Projects

MOBILE, AL August 30, 2010--**Annually the Junior League of Mobile, Inc. (JLM) accepts proposals from nonprofit agencies in the greater Mobile and Baldwin County areas to assist in programs to benefit the local community.** Junior League of Mobile Provisional Class members work on the selected projects throughout their first year in JLM. JLM provides the initial funding of the project which includes volunteer assistance from JLM.

Junior League of Mobile has allocated more than \$10,000 and more than 600 volunteer hours to once again assist two local agencies in our community. Two projects will be selected from the submitted proposals. JLM will implement the programs in March 2011. The resources will be divided between the two agencies' projects. **Proposals should be submitted by noon on September 13, 2010. Forms are available online at www.juniorleaguemobile.org.**

JLM strives to make a measurable impact by enriching our community through support in areas of focus regarding children and education. The Provisional Class members are seeking projects that include at least one of these impact areas. JLM's contribution will be to fund and complete the projects, but maintenance after completion is the responsibility of the agencies.
